4. Message from His Highness the Maharaja

Mr. President: In the meantime, I am commanded by His Highness to convey to the House the following message.—

"Members of the Cochin Lgislative Assembly,

It is with very great pleasure that I welcome this the first meeting of the Legislative Assembly since my accession. It is also the first meeting of the Legislature formed on the basis of adult franchise and after the transfer of all subjects, except Palaces and Devaswams and other Hindu Religious Institutions, for administration to the Ministers responsible to the Legislature. The Legislature has always played an important part in the administration of the State, but this Legislature and its successors necessarily have to play a more important role in view of the fact that the administration is to be carried on through their representatives. This greatly adds to your responsibilities and the welfare of the subjects of Cochin will depend upon the wise decisions you take after mature deliberation and the spirit of co-operation and good will you show to one and all. I shall always follow your proceedings with the deepest interest.

(Sd.)
RAMA VARMA
Maharaja of Cochin"
